Help Support Scholarships for Camp Civitan and recreation programs for special needs children and adults.

Civitan Foundation Inc. is a private, non-profit 501(c)(3) organization providing multiple programs to meet the needs of children and adults who are developmentally disabled. Our programs include: Camp Civitan (residential summer and winter weekend camping), Home and Community Based Services (HCBS), Food and Nutrition Education, Respite and Enrichment Programs, Day Treatment Programs (DTA/DTT), Community Outreach and Disability Education.

Civitan Foundation provides unique services each year to more than 500 children and adults with special needs and their families.. We have been in operation since 1968 and have grown steadily over the past forty plus years. We have grown simply because the needs of our families continue to increase. We have a reputation for providing safe, effective, high quality services and offer many educational, life skills, peer socialization and much needed respite for families.

Approximately 48 percent of our campers will need some type of financial assistance, due to financial limitations to attend summer camp. Many of our campers face multiple challenges and come from low income households. **Your generous support and participation in the Padre Murphy Charity Golf Classic will help with the scholarship program.** Our goal is to never turn campers away based on the inability to pay for services.
